Live Webcast

This program contains 2.25 Professionalism Hours.
This program is eligible for up to 4.25 Substantive Hours.

The OBA has been approved as an Accredited Provider of Professionalism Content by The Law Society of Upper Canada.

Attend one of the OBA's most unique CLE programs and ensure that you are on top of the latest changes and developments in Workplace Safety and Insurance Law and Policy. This hugely popular annual review of current issues and practical strategies features an expert faculty of leading counsel, and medical expert Dr. Michel Lacerte, who will give you the insights, background and tools you need to provide superior representation for your clients at the WSIB and WSIAT.

You will walk away with:

- Practical tips for dealing with the new WSIB policies including the proposed Benefits Policies
- A clear understanding of the medical tests on a neck examination, and assessing pre-existing conditions
- Expert advice on the law of evidence
- An explanation of the WSIB's new approach to adjudicating psychological issues including psychotraumatic disability and chronic pain claims
- A guide for understanding when workplace violence, disasters and assaults are workplace accidents
- Strategies for dealing with self-represented parties, vexatious litigants, and vulnerable parties
- Our annual update on important new WSIAT Decisions

This program sold out weeks in advance last year! Register now to take advantage of this unique opportunity to get up to date on the latest developments in workplace safety and insurance law. We look forward to seeing you there!
