

FAMILY LAW LAWYER TO WORK IN ASSOCIATION

Barenberg & Roth, LLP immediately requires a motivated Family Lawyer to take over a family law caseload. Ideally, your practice will be separate and you will rent space in our office. We will work closely in association. You will work in the beautiful southwestern City of Stratford, Ontario, home of the Stratford Shakespeare Festival and many wonderful restaurants.

Our new team member will enjoy an immediate full case load, congenial work environment and beautiful office in a renovated century home.

This full caseload is available because of the unfortunate death of one of dear colleague.
