Senior Vice President, Legal Affairs & General Counsel

Bentall Kennedy GP

Vancouver, British Columbia / Toronto, Ontario

Bentall LP and its US subsidiary, Kennedy Associates (Bentall Kennedy), are together, one of North America's largest privately-held real estate investment advisory and services organizations. With 12 principal offices and 1,314 employees, the company has over \$17 billion in assets under management. The company's focus is on direct property ownership, acquisition, development, leasing and operations. Known for its integrity, innovation and results, Bentall Kennedy provides specialized real estate expertise to major institutional investors. The company's leadership is underscored by strong senior management, leading edge governance practices and an organization-wide commitment to sustainability and social responsibility.

While continued expansion is expected across Canada, greater near term growth is anticipated in the United States. Organic growth, further acquisitions, the attraction of international capital and the growth of the separate-account business are all on the agenda. Based on its strong management team, its track record of success and its diverse client base, Bentall is well positioned to take advantage of opportunities for their many clients.

Due to this ongoing success, the position of Senior Vice President, Legal Affairs & General Counsel has been created to join the Bentall Kennedy executive team. In this new role, the SVP, Legal Affairs & General Counsel will partner with the CEO, CFO and EVP Corporate Resources to help set the overall organizational direction and provide general legal oversight for the firm's Canadian and US operations. Additionally, the SVP will oversee work completed by external counsel and provide in-house counsel on matters such as compliance, M&A, governance, corporate transactions, and partnership agreements.

The ideal candidate will be a senior lawyer with experience in the areas of real estate, M&A and/or general corporate and commercial law. He/she must be a strategic and rational thinker who can see the big picture and bring a strong business perspective. Having ideally led cross-border transactions and dealt with real estate related matters, the SVP, Legal Affairs & General Counsel must have the technical expertise to supervise the drafting and negotiation of a broad variety of commercial and corporate agreements.

This is a tremendous opportunity for a senior lawyer to join an organization where he/she can make an immediate and strategic contribution in shaping and growing a highly influential company.
