

Securities Associate (3 -5 years)

Location: Downtown Toronto

Our client, a leading national law firm, is looking to add a mid-level associate to its Securities Group. The team represents major domestic and international clients, including issuers, underwriters and others, on variety of debt and equity financings and mergers and acquisitions. Well-recognized for its expertise across many sectors, this group offers a strong national platform and an ideal opportunity to gain great practice exposure working on high-level sophisticated transactions. The right candidate will bring solid academic credentials and practice experience from a leading full-service firm or boutique securities practice.
