Explore and consider a vibrant law practice and balanced lifestyle in rural Southwestern Ontario. Tired of the “Rat Race” in the city – consider a 15 minute commute.

Cobb & Jones LLP is growing to meet the needs of Norfolk County and the surrounding area. We are a highly regarded, well established, full service law firm of 7 lawyers located in Simcoe and Port Dover, Ontario.

We are especially interested in expanding our litigation practice including all types of general and commercial litigation exclusive of criminal.

Although we’re surrounded by rural Ontario, London, Kitchener-Waterloo, Hamilton and even Toronto are all within a 1 – 2 hour commute. Consider the affordable housing with the average price of a detached bungalow at \$155,000 and a senior executive home at \$350,000 (Royal LePage 2007). With numerous golf courses, marinas, beaches, hiking trails, conservation areas, museums, libraries, theatre and other amenities, Norfolk County offers an exceptional quality of life. A fantastic environment for raising a family and doing business. Visit www.norfolkcounty.on.ca
