

BUSINESS LAWYERS WANTED

Harris + Harris LLP is a highly respected, dynamic boutique business law firm in the Greater Toronto Area. Besides our business law focus, we have lawyers who have expertise in other complementary areas of law including Securities, Commercial Litigation, Estates, Construction Lien and Tax.

We believe there is an excellent opportunity for a corporate/commercial lawyer, or a group of lawyers, with either a partial or established practice, to grow their practice along with ours. We can offer you use of our first-rate premises (East Mississauga location offering easy access to downtown Toronto, without actually having to be there!) and support staff. We have also made a substantial investment in our information technology infrastructure which will undoubtedly benefit your practice.

If you are looking for a highly professional and collegial atmosphere but with low administration/bureaucratic pressure, please contact Gregory Harris or Derek Yu at:
