

Opportunity for
Insurance Defence Lawyer

Blaney's Insurance Group, one of Canada's largest insurance litigation departments, continues its growth. We have an immediate opening for an associate with 2-3 years of relevant experience to join our Insurance Defence Practice Group.

The successful candidate will be expected to assist with larger insurance defence matters requiring assessments, drafting and litigation/dispute resolution support, while also confidently handling their own file load of MVA, professional negligence, occupier's liability, government defence, product liability and general insurance defence work. The candidate should also possess strong academic credentials and exceptional communication and drafting skills.

Applicants should forward their résumé and academic transcripts in confidence to Alva Orlando, Professional Development and Research Partner:
