

Job Title: Legal Counsel (Accident Benefits/Bodily Injury)
Career Category: Insurance, Property and Casualty, Legal
Posted Date:
Location: Greater Toronto Area

Description:

Our client, a leader in Canadian Property and Casualty Insurers and award winner for their Corporate Culture, is seeking to add an **intermediate** lawyer with 5-8 years of insurance defence experience with a focus in Accident Benefits, Bodily Injury or Property law, to their team.

The successful candidate will provide in-house litigation and other legal services with respect to automobile property and casualty insurance.

Your responsibilities will include:

- Litigation matters from inception to completion including providing assessments on claims;
- Research and preparation of legal opinions on coverage issues, liability and damages
- Carriage of and responsibility for the delivery of cost effective and efficient resolutions of disputed claims
- Preparation of pleading and related materials
- Conducting Examinations for Discovery
- Court Attendances for motions, pre-trials and trials
- Attendance at arbitration and mediation hearings
- Preparing materials for and conduct continuing education session

Requirements:

You are the ideal candidate if you:

- Bachelor of Law Degree; Good standing of the Law Society of Upper Canada
- Have prior experience in **personal injury litigation** matters gained at a **Defence Litigation** practice
- **4-8** years of insurance defence, arbitration and litigation experience with a focus in Accident Benefits/Bodily Injury or Property
- Proven litigation skills
- Superior analytical, negotiation and communication skills
- Ability to interact with claims personnel and other various departments within the company
- Adept at working either independently or in a team environment

If this describes you, and you are interested in joining a fast-paced organization that provides a competitive compensation package, send us your details.
