

**Associate - Solicitor - Intellectual Property -
Information Technology - Lawyer (1-5 yrs) LFA-566
Toronto**

POSITION:

Information Technology.

TERM:

Permanent position.

CANDIDATE:

Our client, a national leading full service firm, is looking for a junior level information technology lawyer to join its outstanding IT team which services a broad and sophisticated national and international client base. This is a rare opportunity to join leading professionals in the field. If you have a background in software licensing, information technology systems procurement, service level arrangements with some M&A experience in information technology and knowledge of computer law this could be the right opportunity for you. The right candidates will have a strong work ethic, be well motivated, personable and able to work well in a team environment.

CAREER BENEFITS TO YOU:

You will have the opportunity to work with and be mentored by leading practitioners in the field in a prime downtown Toronto location. You will benefit from strong infrastructure and administrative support in a positive work environment with a generous compensation package in a collegial atmosphere which prides itself on attracting and retaining top talent.

CONFIDENTIALITY AND ACTION:

Full confidentiality assured. We do not forward your resume nor disclose your identity to employer without your express authorization.
