

**Partner - Solicitor - Tax - with full or part practice -  
Lawyer - LFM-192**

**Toronto**

Partner-level positions for practitioners with full or part practices. Non-equity status to start. Our client is a long established global firm with a growing practice in Toronto. The culture is down to earth and not stuffy. Interaction and synergy are actively encouraged. This firm offers you existing support, and has a track record of purchasing whatever further resources needed. Compensation is competitive; the full backing of the US head office, a given. However, the Canadian entity is quite independent. The firm currently seeks further Canadian capability at the leadership levels:

**POSITION:**

A tax lawyer would be very helpful, to add to the full service mix of the growing Canadian entity. Some cross-border (US) exposure is helpful. Provided you have some client base, the firm will invest in your travelling, and developing further relationships, namely, with internal firm clients in the US and possibly globally. If you're a confident, knowledgeable tax practitioner, then this position is for you.

**TERM:**

Permanent position.

**CONFIDENTIALITY AND ACTION:**

Full confidentiality assured. We do not forward your resume nor disclose your identity to employer without your express authorization.
