

BOARD MEMBERS WANTED

Multilingual Community Interpreter Services (MCIS) is a social enterprise that specializes in the provision of interpretation and translation services for marginalized communities in South Central Ontario.

MCIS is a quickly expanding, dynamic organization with tremendous potential for growth and we are recruiting individuals to serve on our Board.

To augment our existing Board of Directors we are looking for individuals who have expertise working in

- ◇ Law
- ◇ Human Resources
- ◇ Information Technology
- ◇ Government and Media Relations
- ◇ Program Development

MCIS invites applications from individuals representing the diversity of the Greater Toronto Area and would be particularly interested in those who have a background in the language industry or who have experience as a staff or board member within a grassroots non-profit organization. If you have expertise in an area not listed above, but are passionate about the issue of linguistic access, please feel free to send in your resume for consideration.

MCIS serves 96 linguistic communities in South Central Ontario and is the designated service of the Domestic Violence Court programs and Police Services in this region. Over 650 Community based and Government organizations across all sectors, including Toronto Public Health, Children's Aid Societies, Community Care Access Centres, Police Services and Legal Clinics access MCIS' interpreters and translators to serve their limited English speaking clients.
