

**Position:** Civil Litigation Lawyer

Our firm locates at Markham and maintains a busy and energetic general practice. We have a mixed number of new immigrants as well as local residents. The main focus is on business and real estate law. We are looking for a lawyer who has a civil litigation practice to share our files to provide services to our clients.

This would be a great opportunity for someone who wishes to increase the files without the need to market and we offer generous split fees for the qualified person.
