

Vice President, Legal & Secretary

The North West Company is seeking a seasoned lawyer to join their home office in Winnipeg, Manitoba as Vice-President, Legal and Secretary. Reporting to the President and CEO, you will be accountable for the leadership and management of all legal activities within an international, multi- store banner, retail business environment. As a member of the senior management team you will be actively involved in North West's overall governance and strategy, working closely with other executives and the Board of Trustees. Your core work will be to ensure that timely, insightful and cost-effective legal services are provided on a wide range of matters, corporate policies and practices.

The ideal candidate will have a minimum of 10 years experience gained from a leading law firm or corporate legal department of a mid to large-sized company, working within corporate, commercial and public reporting environments. Demonstrated leadership and communication skills and exceptional business and legal acumen will be key assets for this position.

North West offers an attractive executive compensation package including base salary, comprehensive benefits and short and long-term incentive programs.
