LEGAL COUNSEL (Contract Opportunity)

Join a leading telecommunications company in bringing to Canadians innovative Internet, voice, data and wireless products and solutions. As a member of our legal team you will support a wide variety of corporate/commercial matters, including the development of service offerings and procurement of consumer equipment by TELUS Consumer Solutions as well as the marketing and sale of telecommunications, information technology and business outsourcing services by TELUS Business Solutions.

You are a creative thinker who welcomes new challenges and responsibility. In the three years since your call to the Bar, you have developed strong legal and analytical skills that, along with a keen ability to guide business decisions, help you resolve client and legal concerns practically and efficiently. Knowledge of the telecommunications industry would be an advantage. French language skills would be an asset.
