

Legal Counsel Burlington, Ontario

VMware, the global leader in virtualization and cloud infrastructure, delivers customer-proven solutions that accelerate IT by reducing complexity and enabling more flexible, agile service delivery. We are seeking an experienced Legal Counsel to join our team. Role entails providing transactional support for our licensing and consulting business. It will also provide legal advice and counsel to clients as well as supporting day-to-day initiatives and long-term strategies.

Required skills & experience:

- Minimum 10 years commercial and federal legal experience, comprised of time spent both at a major law firm and in-house with a high tech company
- High volume commercial and federal transactions experience with a software company of similar size and scale, including experience with licensing and/or consulting sales agreements
- JD from an accredited Canadian or U.S. law school required
- Member of a Canadian Provincial Bar in good standing
