With summer coming to a close, the fall recruitment season is set to commence within a few short weeks. Cartel is uniquely positioned to provide lawyers with developed practices with the individual career attention that others cannot provide.

This fall, don't trust your career to the recruitment databases. Come in to our offices at First Canadian Place and speak with one of our dedicated team members. If a position is not immediately available, Cartel's can reach out to a network of contacts that have been gathered over the past 30 years. Without disclosing your identity, we can uncover opportunities in your specific practice area that are a perfect fit for your unique expectations and experience.

Our clients are looking for associates in most practice areas with 3+ years of experience. This is a unique opportunity to work with Toronto's finest, well established law firms.

Applicants are invited to email their resume to:
