

# Personal Security Handbook

In response to the growing concerns of those who work in the justice system, the Ontario Bar Association has published this updated Personal Security Handbook.

Safety is one of the most pressing issues that the profession faces; the threats are real and they continue to escalate.

We want every lawyer in the province to have a number to call and a process to follow when they fear that they, their families, friends, colleagues and employees are in danger.

**QUANTITY (Prices include tax and shipping)**

- 100/\$150.00
- 25/\$50.00
