

# Working with a lawyer when you buy a Home

This full coloured booklet:

- Is an educational tool for clients who are commencing a real estate transaction
- Will assist you to market your services and to comply with obligations under the Rules of Professional Conduct.
- Explain in layperson terms, all the legal aspects of the purchase of a residential property and the role of the lawyer to protect a client's home
- Outlines the options available (solicitor's opinion on title, title insurance and the new TitlePLUS product) for assuring title in an easy to read chart

Produced by the Ontario Bar Association in cooperation with the Law Society of Upper Canada
