The OBA has been approved as an Accredited Provider of Professionalism Content by The Law Society of Ontario.

With constant technological advances and societal changes, privacy law is continually evolving. Ensure you have the expertise and insights to tackle a wide array of current issues in privacy law with this essential program. Direct your own learning by selecting from breakout sessions. You can learn about:

- Current case law, including class action cases
- Legislative updates and managing changes in privacy law
- Access to information, issues and solutions
- Privacy law, globally
- Privacy and financial matters
- Facial recognition implications
- Data breaches, in health care

Join our experienced faculty as they discuss these topics and share their own personal experiences in the practice of Privacy law.

Register now to take advantage of this information-packed day and advance your privacy law proficiency to the next level.
