The OBA is bringing you the Real Intelligence on AI with this year’s TECHxpo 2024: AI Edition. TECHxpo 2024 will give you hands-on exposure to the AI products poised to change the legal market. Don’t miss this timely program to gather the latest expert insights and intel on:

- AI legal tools on the market
- How to assess your needs and make educated decisions on AI technology investment
- Effectively utilizing AI to take your practice to the next level
- And much more!

AI won’t replace lawyers, but those who know how to expertly leverage its power and potential will gain a distinct advantage in the legal practice of tomorrow. OBA TECHxpo will showcase a selection of the many AI products available and equip you with the questions to ask to ensure you are making the right selections to best enhance your practice. Register now!
