Webcast

Professionalism Hours : This program is eligible for up to 3h 0m

Substantive Hours: This program is eligible for up to 4h 00m
The OBA has been approved as an Accredited Provider of Professionalism Content by The Law Society of Ontario.

Now in its 9th year, this highly anticipated full day program brings together leading experts to talk about the latest developments in eDiscovery and digital evidence. You will gain all the practical insight you need to effectively manage electronically stored information. Learn from our stellar faculty as they focus on the lifecycle of an eDiscovery project, e-trials and the use of digital evidence beyond traditional civil litigation. Benefit from a closer look into technology assisted review, as well as choosing the right technology and working with a vendor. Keep up to date on what is happening at Sedona Canada and learn how to manage the ethical issues that arise with digital evidence and when using technology in discoveries.

Don't miss out on this highly valuable and unique program.

Program Chairs: **Gregory Sullivan**, Deloitte LLP
David Outerbridge, Torys LLP
