

## Blockchain & Artificial Intelligence Meet Privacy Law: An Interactive Conversation on Strategizing for Clients

*Information Technology and Intellectual Property Law & Privacy  
and Access to Information Law*

In-Person

Webcast

**Date:** Tuesday September 17, 2019 | 9:00 AM – 12:00 PM

**Location:** OBA Conference Centre  
20 Toronto Street, 2<sup>nd</sup> Floor, Toronto

**Program Chairs:** **Lisa Danay Wallace**, WeirFoulds LLP  
**Myron Mallia-Dare**, Miller Thomson LLP

**Substantive Hours:** This program is eligible for up to 3h 00m

Blockchain and artificial intelligence technologies are using data in unprecedented volumes and ways that overlap data protection and privacy. Join us to understand how to guide your clients on managing this interplay. Our faculty will outline the trends, risks, and strategies associated with privacy considerations for blockchain and artificial intelligence. Come prepared to engage in an interactive discussion to learn more about advising on the legal and security ramifications of these emerging technologies.
