As a result of the massive impact of the global crisis, there are a number of emerging litigation issues that advocates in Ontario will face in the coming days. Our expert panel will discuss some of the issues that have arisen or are on the horizon as a result of the pandemic, ranging from negligence claims, shareholder class actions, critical employment and insurance coverage issues, as well as family law matters. Join our highly experienced faculty as we examine some of the novel proceedings that will arise from these unprecedented times, along with how to navigate these uncharted waters. Gain valuable insight that will assist you going forward as these new and challenging cases come across your desk.

Don't miss out on this unique and valuable program!
