This program contains:
3hrs of Substantive Content

Since the proclamation of the Ontario Not-for-Profit Corporations Act (“ONCA”) are you finding certain sections of the legislation confusing or inconsistent? Not-for-profit corporations and charities have until October 19, 2024, to transition to ONCA and understanding the rules set out under it early is critical. Join us to hear our stellar faculty provide clarity on the application of key ONCA provisions and what lawyers have to do to make sure their client organizations are in compliance. The panel will also share the latest developments and offer practice tips as solutions to the challenges that currently exists. Register now to gain useful and practical insights about this transformational legislative change.
