assess the needs and pain points in your practice,
and how to translate that assessment into a
decision about the right solutions for you.

4:15 pm **Networking Reception**

4:10 pm **Questions and Concluding Remarks**

***Please note:** OBA TECHxpo is intended to expose the Bar to many of the tools available in this emerging area of legal technology. Inclusion of any particular tool in this showcase cannot be taken as endorsement of that tool by the OBA. It is critical that attendees conduct their own assessment to determine the appropriate tools for their practice. This event will equip you with insights and knowledge on how to conduct your own assessment.
